Company Profile

In a nutshell...

Cargo24 is a fully registered logistics service provider of choice specialising in road freight. Our focus always has and always will be on providing the best client care and customer service in the business.

Our Mission

Our aim is to be a significant player in the Southern African transport industry by serving clients with consistent, cost-effective and dependable logistics solutions.

Our Vision

We strive to be the most preferred freight and logistics company in the region by offering competitive rates, superior service, innovation and cost saving initiatives.

Our Values

The company subscribes to the following values:

- Listen** - we listen with absolute intent to our customer's needs to provide tailor solutions.
- Invest** - we invest in the best people, best vehicles, information systems and service providers.
- Act** - we act on customer projects with absolute professionalism.
- Deliver** - we consistently deliver value through our expertise in providing advanced solutions to our customers' logistics challenges.
- Passion** - we are enthusiastic and driven to satisfy our customers' needs with integrity.
- Restless** - we continuously strive to find new and improved ways to satisfy market needs through the use of technology and innovative solutions.

Company Profile

Our Human Resources

The owners and directors of Cargo24 have been involved in the transport industry for many years. Their understanding of this industry inspires the company as a whole to ensure that goods are transported timely, safely and cost-effectively at all times.

We always select drivers and staff with great care and ensure that they are legally qualified to drive the various vehicles in our growing fleet. Our staff members are regularly trained on the ins and outs of customer service to ensure that they interact with clients in a friendly manner at all times.

Health and Safety

We are committed to ensuring that the cargo of our customers reaches all destinations safely and without any setbacks. Similarly, the health and safety of all our employees is very important to us.

Our Fleet

- We operate a fleet of modern and environmentally friendly vehicles.
- Our vehicles are serviced regularly to minimize or eliminate unnecessary break-downs.
- Our vehicles are always insured against theft and accidents.
- We are in a position to immediately provide replacement vehicles in case of breakdowns.

Our Rates

We offer competitive rates that are mutually beneficial to us and our clients. Special rates will be offered to long contracts
